RE: Letter of Reference for Jennifer Chapman – South Region Board Nominee

To Whom It May Concern:

It is with great privilege that I offer my support and recommendation of Jennifer Chapman to the Board of Directors for the South Region of NAGW. I have had the pleasure of working with Jennifer over the past 8 years at City Hall and I look back with great admiration at her dedication and resolve to do her part in ensuring our new city was on the right path. Having also known her in her prior experience in local media as a reporter, she arrived at City Hall with a sound understanding of our city's strengths and opportunities.

Throughout her tenure, she has continued to be a valuable asset to our team by taking on the responsibility of upgrading our web presence and social media channels with ease and flexibility. Her natural creativity, outstanding writing skills and attention to detail led to an award-winning site, which honors us all. Her enthusiastic and can-do attitude allows for a cooperative team environment, thus, producing great results in all of her project endeavors.

Outside of City Hall, she has served in leadership roles and volunteer Board positions for organizations such as the Johns Creek Art Center, Johns Creek Rotary, and Johns Creek Leadership. Her involvement has enhanced our community as a whole and furthered our communications with the key members of our City.

Jennifer has handled many challenges as our communications department has grown and shifted focus over the past few years. Her approach is to meet each challenge with great

professionalism, a strong and consistent work ethic, and a continual desire to perfect her skills over time.

We are proud to say that our City is exceptional, and Jennifer is a testament to that ideal. There is no doubt she will be a fine District representative. Therefore, I confidently recommend Jennifer to your Board of Directors. If I can elaborate or answer any questions you may have, please do not hesitate to contact me.

Sincerely,
